## CAPABILITIES

The firm focuses its attention on the areas where we believe we can make the greatest impact: helping mitigate the impact of the built environment on climate change; using our talent, energy and resources to improve the quality of our communities and the lives of others; and helping our people to reach their full potential while providing a safe and ethical workplace.

For occupiers, TCC serves as a trusted advisor at every step of the process, from appraising clients on alternative land or building options through the development or acquisition of facilities. With its national scope and comprehensive range of product types, TCC offers investors geographic diversity, capital efficiency and the opportunity to be active in more parts of the real estate cycle.

“

I CAN STUMBLE OR STRIDE...BOTH ARE UP TO ME.

I CAN SUCCEED OR FAIL...IT'S ALL UP TO ME.

I CAN PROSPER OR LOSE...IT'S ALL UP TO ME.

**IT'S ALL UP TO YOU.**

# PROJECT DESCRIPTION

# Master Plan

- ✓ Our plan fits neatly into the approved SDP requiring only small tweaks to building massing and floor to floor heights.
- ✓ The location of streets, parking, and open space will all be consistent with the approved plan.

# Project Plan

- ✓ The buildout calls for approximately 800,000 sf of commercial density over two buildings.
- ✓ This includes approximately 10,000 sf of ground floor retail fronting the open space.
- ✓ Enhanced connection to the Metropolitan Grove Station.
